

RIMAGE EVEREST ENCORE MDD MEDIA KIT

Everything you need for media production with your Rimage Everest Encore MDD system in one package.

Get reliable, uninterrupted performance from your Rimage Everest Encore MDD system. With optimised print ribbons and discs, the Rimage Media Kits give you outstanding, long-lasting and highly consistent printing results in one convenient and affordable package.

Compatible Models

- Rimage MDD 2450 systems with Everest Encore 400/600 or older MDD 2410 devices with Everest 400/600 and upgrade to Encore sensors.
- All other Rimage systems with Everest Encore printers.

Features

- Rimage guarantees consistently high quality and compatibility of all media and ribbons in original Rimage media kits.
- The included CD/DVD/Blu-ray A-grade media are coated with a special Everest thermal re-transfer lacquer that ensures perfect borderless, high-quality and extremely durable printing.
- Printing range: 23-118 mm
- With a shelf life of 50 years, Rimage media are perfect for archiving.

- The quantities of print ribbons and media are precisely matched.
- Each media kit contains 1,000 or 500 media and ribbons for exactly the same number of prints.
- Your ordering process is simplified as you only need to order one media kit instead of three separate items (media, colour ribbon, re-transfer ribbon).
- Media and ribbons have no 'expiry date' and can be stored for many years in a normal office environment.

Advantages of Everest Encore printing

- No drying time
- Liquid-resistant
- Disinfectable
- UV-stable
- Edge to edge
- High resolution
